Dear Spartan Supporter,

I am writing to you on behalf of Shield Bearers, the Football Booster Club for Gonzales High School. Together with the football coaches, we plan to support our young Spartans and provide opportunities for them to give back to the community!

Would you consider helping us in this cause?

Many equipment needs, both technological and safety related have gone unaddressed... some for over a decade. As the competition upgrades it places a disadvantage on our athletes and exposes our Spartans to additional injury and tips the odds of victory against us.

It is also not uncommon for kids on the team to skip breakfast, have a bag of chips for lunch, play on an empty stomach, ride back home, and finally get a meal late at night. No athlete can compete at their peak if they are running on an empty tank. We plan to help with pregame snacks and post game meals for both Varsity and JV.

Without a youth football program, a lot of our kids could benefit from some additional instruction and competition from camps, flag football, and 7 on 7 tournaments. Working together with our High School Coaches, Shield Bearers plans to set up local camps and flag football leagues to provide instruction and football learning opportunities to the community of Gonzales.

Can you help us with any of these efforts by volunteering or providing monetary support?

We are a non-profit organization and will provide a tax id number for any donations received.

Please feel free to contact me with any questions you may have.

Grateful to Serve,

Nick Alvarado
